Introducing Andover Fabrics new collection: **SWEET SHOPPE TOO** by Andover Fabrics

Quilt designed by Giucy Giuce

Quilt finishes 64" x 64"

This fun "color wheel" in the form of a modern patchwork mandala is the perfect project for anyone who loves tradition with a twist. The background corner squares have ample room for creative quilting.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/8 is a 9" x 20"-22" cut of fabric. A fat 1/4 is an 18" x 20"-22" cut. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Making the Quilt

1. The quilt is made with half-square triangles (HST) that finish 4" square. Cutting squares 5" allows for trimming the HST after stitching. If you wish to eliminate this trimming step, cut 4 7/8" squares for HST. Set aside Fabric A and Fabric C squares.
2. Use your favorite method to make HST, or follow these directions. Draw a diagonal line on the wrong side of one striped 5" (4 7/8") square (Diagram 1). Note: Be sure that the drawn line runs parallel with the striped print as shown. Place the marked square on a Fabric B 5" square, right sides together. Sew 1/4" seam on each side of the marked line; cut apart on the marked line. Press open to make pieced HST. Trim the squares to 4 1/2" if needed. Mark the remaining 5" squares, either marking Fabric B or colored squares as you wish. Make a total of 128 HST. In addition, make 4 HST using Fabric A and Fabric C squares.

Canyon Road Quilt

- Referring to the Quarter Quilt Diagram, arrange the HST, Fabric B $4\frac{1}{2}$ " squares, and a Fabric D $4\frac{1}{2}$ " square into rows as shown. Turn the HST to match the design. Join the patches into horizontal rows to make larger units. Join the top unit with the Fabric B $16\frac{1}{2}$ " square to make the top half of the quarter quilt. Join the top unit to the bottom unit.
- Make 4 quarter quilts all alike. Finally, join the quarter quilts to make the quilt, rotating each unit 90 degrees to make the design shown in the quilt photograph.

Finishing the Quilt

- Layer the quilt with batting and backing and baste. Quilt in the ditch around block patches. Quilt the background Fabric B patches as you wish. Bind to finish the quilt.
